

FAMILY PEER SUPPORT

North Carolina Voices Amplified offers free technical assistance, training, and advocacy opportunities to Family Peer Support Partners and the agencies that employ them.

WHAT WE OFFER

LIVED EXPERIENCE

All of our services are provided by professionals with lived experience and are rooted in System Of Care Core Values and Principles.

FREE TRAINING

We provide free trainings to family peer support seeking Family Peer Specialist Certification. These trainings include Family Partner 101, Motivational Interviewing, Trauma Informed, Child and Family Team 01, Wellness Recovery Action Plan (WRAP), What is Family peer Support, Family Advocacy and Leadership, Triple P Overview, and other electives.

TECHNICAL ASSISTANCE

We offer meaningful opportunities for youth and families to share their lived experiences and support advocacy initiatives throughout the state.

PRESENTATIONS

We offer presentations, collaborations and partnerships on the practical application of System of Care and Family Driven Care serving families in statewide initiatives and local communities.

HOW TO GET INVOLVED

Join our email listserv to stay up to date on upcoming trainings and opportunities by scanning the QR code.

Feel free to email Family Training Coordinator, Frederick Douglas at fmdougla@uncg.edu with any questions, request technical assistance or to learn more about family peer support and/or family advocacy.
